

Guideline:

The 3rd Youth Summit in Hyogo will be held to give foreign and Japanese children the opportunity to accelerate mutual understanding and to make them become aware of the importance of cementing friendly relationship.

All the children will share the time of enjoying various countries' dishes and games of various cultures at the event. By realizing a bit of cultural difference existing in them, we do hope that they will value such differences respectively. This children will have a lot of fun to play games with high school and college students volunteers.
